NOTICE OF FUNDING AVAILABILITY**

Energy Efficiency and Healthy Homes Programs 2024

The Department of Energy and Environment (the Department) seeks eligible entities to provide high-quality, cost-effective services to income-qualified households and improve the overall comfort, energy efficiency, and safety of single and multifamily dwellings throughout the District.

The successful applicant will identify lead-based paint and other hazardous conditions, install approved energy efficiency measures, perform lead remediation and rehabilitation work, and provide energy and healthy homes related information to occupants. The amount available for the project is approximately \$10,910,000.
